

## Worksheet Number Two

### Map Exploration

Directions: The Directions for Worksheet Number Two is to take a good look at this Battle map of the Pacific Theater During World War II. For each Number and Letter tell me the name of the battle, the date that it occurred on, how many from each side were killed, as well as losses, examples would be airbases or ships. Next write one paragraph giving these details and others you come across. You can use your notes or internet to answer.
